To whom it may concern,

The Greenwood Police Department has recently chosen Van Valer HVAC & Home Services to take over our building maintenance.

They have taken care of our immediate issues and they are working on an agreement to keep all of our systems in good working order.

I have found their customer service to be very helpful and polite. They are aware that we have areas in the PD that need to have personnel present during the repair. They work within our time constraints and have been very prompt.

I would recommend Van Valer and their staff for your consideration.
