Dear Brian,

For the last six weeks, Express Employment Professionals worked towards achieving our local office goal of placing 100 unemployed people into jobs the week of November 5<sup>th</sup>. We wanted those associates to receive a paycheck prior to Thanksgiving. We are pleased to announce that we achieved our goal of 100 jobs filled.

As part of the Hire 1...Help 2 campaign, we committed to feeding a family for every job filled. Thanks to your help, this was also accomplished. This Friday, Nov 16<sup>th</sup> not only will 100 families receive a full Thanksgiving meal, but Mount Pleasant Christian Church and Living Bread Ministries will be passing out 1200 meals.

We could not have done this campaign without your help and we are truly grateful that you share the same passion to help people within the community in more ways than one.

The feedback from associates that received a paycheck has been humbling. They are now able to provide food for their families and possibly purchase gifts for the Christmas holiday as well.

On behalf of our team at Express Employment Professionals, we truly thank you again for what you have done to make this such a success. We hope this will continue to be as successful every year and look forward to working with you next year to help make the holidays great for even more people!

Sincerely,
